System Policy

AFL VICTORIA PLAYER POINTS SYSTEM (PPS) POLICY

1. Objective of the Community Club Sustainability Program and PPS Policy

The Community Club Sustainability Program (CCSP) subcommittee believes that equalisation of community football competitions is vital for community football.

Even and fair competitions lead to interest, which leads to bigger crowds, which leads to stronger clubs and competitions. Even competitions allow supporters and club volunteers the chance to turn up on any given match day with the knowledge that the outcome of the game is uncertain and that their team is a chance of winning. This mindset motivates people to become and remain engaged with their community club and provides rewards and recognition to all those that assist in putting a team out on the field.

The philosophy of competition equalisation is accepted in sports all around the world. Professional sporting bodies have accepted practices such as drafts, salary caps, FIFA Fair Play and the like in order to help competitions ensure competitiveness and club sustainability.

The objectives of the state PPS Policy are as follows, to:

1. support equalization of community football Competitions;
2. ensure teams fielded in the Competitions are strong and as equally matched as possible;
3. provide the best opportunities for players to develop and display their skills;
4. provide opportunities to compete at a community level within an orderly and fair system;
5. enable team spirit and public support;
6. encourage community and corporate sponsorships of Community Clubs;
7. reduce the inflationary nature of player payments to assist clubs survive financially and reduce financial burden/stress on Clubs;
8. promote player loyalty and junior development;
9. support the role volunteers undertake in managing their Clubs by;
 - minimising the need to fundraise for player payments
 - providing a more competitive environment on field, that encourages more volunteers to support at Club level
 - providing incentive to spend more time and effort in the development of football, a welcoming Club environment and growing the game within the local community.

This PPS Policy sets out a framework of rules and guiding principles in relation to a player points system which should be adopted by Community Clubs in order to achieve the above objectives.

If this policy is adopted by Metropolitan Leagues and Region Commissions, they will need to amend their relevant by laws to include all relevant provisions under this PPS Policy.

Senior clubs can have multiple MOU’s with junior clubs and junior clubs can have multiple MOU’s with senior clubs. To be considered an ‘Aligned Junior Club’ an MOU must be approved by the relevant Metropolitan League or Region Commission to ensure appropriate player pathways exist.

“Transferred” refers to the formal transfer authorised under the National Player Transfer Regulations.

“Unique local conditions” refers to the conditions, environment or circumstances which are unique to a Community Club or a region of Community Clubs which may give grounds for a reassessment of a Club’s Total Team Points as determined by the relevant Metropolitan League or Region Commission.

“VFA senior representative team” refers to the VFA’s Premier representative team only.

Victorian affiliated Community Club means a Community Club affiliated to a Victorian based Metropolitan League or Region Commission by way of an authorised licence or affiliation agreement.

3. Affiliated Metropolitan League/Region Commission Responsibilities

Each Metropolitan League or Region Commission affiliated to AFL Victoria:

Total Team Points

- 3.1. acknowledge that the Total Team Points allocation will be capped at 48 points per Senior Team subject to the conditions of this clause 3.
- 3.2. will consider all applications from Community Clubs for the allocation of additional Total Team Points in accordance with this PPS Policy (i.e. applications based on unique local circumstances under clause 4.5).
- 3.3. may allocate additional points or apply deductions to Total Team Points to specific Community Clubs in accordance with this PPS Policy to manage unique local conditions and meet the needs of local Community Clubs and the relevant senior Competitions.
- 3.4. acknowledge that any decision to alter the 48 point Total Team Points cap should be approved by the CCSP subcommittee.
- 3.5. will allocate the final figure for Total Team Points to each Senior Team for each Club affiliate (i.e. not reserves or underage Competitions) for the following Season and in accordance with PPS Policy, with all points allocations to be lodged with the CCSP subcommittee by 31st August each calendar year.
- 3.6. subject to approval of Total Team Points via the CCSP subcommittee, Metropolitan Leagues and Region Commissions must communicate the allocation of each Club's Total Team Points to each of their affiliate Clubs for the following Season in accordance with PPS Policy by 30th September in each calendar year (or such other date as determined by the CCSP subcommittee).

Player Points Allocation

- 3.7. will liaise with Community Club's to ensure Player Point Allocations are entered via the Footyweb System prior to any player's first Senior Home and Away Match of each Season and will confirm the Player Point Allocations entered by the Community Club.
- 3.8. as part of the Player Point Allocation process, Metropolitan Leagues and Region Commissions may provide the opportunity for Clubs to seek a reassessment of any player's Player Point Allocation. Any reassessment against a Player Point Allocation should be made to the relevant Metropolitan League or Region Commission no later than 5 days before the player's first Senior Home and Away Match of each Season.
- 3.9. once the process in clauses 3.7 and 3.8 has been undertaken, any player's Player Point Allocation will be fixed for that Season unless the Metropolitan League or Region Commission is of the view that there are exceptional circumstances relevant to a player that warrant an amendment of the Player Point Allocation during the Season.

4. Affiliated Club Responsibilities

Each affiliate Community Club:

- 4.1. will determine each player's Player Points Allocation for its Senior Team. This determination may include any additions or deductions applicable to each player in accordance with this PPS Policy. See clauses 6 and 7 and appendices 12.1 and 12.3 for applicable PPS table and flow chart to assist in this process.
- 4.2. will enter Player Points Allocations into each relevant player's membership details using the Footyweb System prior to the relevant Community Club's First Home and Away Match of each Season, or a player's first Senior Home and Away Match of each Season
- 4.3. acknowledges that if a Community Club does not follow this procedure and decides to play a player in a match in a Senior Competition, who has not had their Player Points Allocation approved and entered into the Footy Web System, that Club will bear the risk of any subsequent enforcement penalty as determined by the relevant Metropolitan League or Region Commission in accordance with this PPS Policy.

- 4.4. will ensure that on match days the Senior Team does not exceed that Club's Total Team Points. For the avoidance of doubt, Community Clubs may recruit above their allocated points in any given Season but must comply with the Total Team Points allocation on match days.
- 4.5. may make an application to its affiliate Metropolitan League or Region Commission for the allocation of additional Total Team Points in accordance with this PPS Policy (i.e. for unique local circumstances). The application process is to be set down and communicated to affiliate Clubs by the relevant Metropolitan League or Region Commission.

5. Player Points Categories

- 5.1. A player's Category and the subsequent Player Points Allocation will be determined by that player's playing history and achievements and is structured in a way to promote player retention and loyalty.
- 5.2. Each player expected to play in the Senior Team of a Community Club will be allocated a Category and a Player Points Allocation as follows:

5.2.1. Category 1 – Home Player – 1 Point

- a) Player who has played 40 or more games at the aligned junior club up to and including U17 Competition; or
- b) A player who has played only at that Community Club or an aligned junior club, and for no other Community Club; or
- c) A player who has not played Competitive Football in the previous 36 months.

NOTE: Under the Category 1 definition, a player may be categorised as a 'home player' at more than one Community Club.

- 5.3. If a player does not meet the Category 1 'home player' eligibility above, their points Category will be assessed based on the highest playing level achieved prior to the player joining the current club in the following Categories:

5.3.1. Category 6 – AFL Player – 6 Points

Player who has played a minimum of one AFL game in any of the current or previous three (3) Seasons.

5.3.2. Category 5 – State League Tier One – 5 Points

Player who has played a minimum 5 senior games of VFL, WAFL or SANFL in any of the current or previous three (3) seasons.

For example a player *would not qualify* in this category for the 2017 Season if that player has played as follows in the previous three (3) Seasons:

Season 2016 – 4 games
 Season 2015 – 3 games
 Season 2014 – 2 games

However, a player *would* qualify in this category for the 2017 Season if that player had played as follows in the previous three (3) Seasons:

Season 2016 – 0 games
 Season 2015 – 6 games
 Season 2014 – 2 games; or

Season 2016 – 5 games
 Season 2015 – 0 games
 Season 2014 – 0 games.

NOTE: where a Category refers to "a minimum of 5 games in any of the previous 3 Seasons", the above calculation example will apply.

- 5.3.3. Category 4 – TAC Cup, State League Tier Two, and Premium Community Player – 4 Points
- a) TAC Cup player - who has played a minimum 5 TAC Cup games in any of the current or previous three (3) Seasons; or
 - b) State League Tier Two player – who has played a minimum of 5 senior games in any of the current or previous three (3) seasons at NEAFL or TSL level; or
 - c) Premium Community player – who has achieved a club senior best and fairest top 5 finish, in senior Competitions only, in the previous Season. Note: VAFA Senior Representative Team players from the current Season or the Season immediately prior also fall under this Category.
- 5.3.4. Category 3 – Senior Community Player and Transferred Junior Player – 3 Points
- a) Senior Community player – who has played the same number or more senior games than reserves games in any of the previous three (3) Seasons at community football level; This includes:
 - VFL development league players who do not meet Category 5 eligibility (i.e. who haven't played the minimum of 5 senior VFL games in any of the current or previous 3 Seasons); or
 - A player from any of the interstate community league Competitions including the Northern Territory Football League.
 - b) Transferred Junior – a player who was recruited from an U19's (or younger) Competition and who does not meet Category 1 eligibility.
- 5.3.5. Category 2 – Development Community Player – 2 Points
 A player who has played more reserves games than senior games in the preceding Season at community football level.

- 5.4. A Community Club that has a player that does not meet any of the above player Categories will need to apply to their affiliate Metropolitan League or Region Commission to determine the appropriate Player Points Allocation. In determining the Player Points Allocation, the Metropolitan League or Region Commission will have regard to all relevant factors so as not to unreasonably restrict the player's movement between Community Clubs or a player's opportunity to play football at a Club of his choice.
- 5.5. For the purposes of a Player Points Allocation, a playing coach or playing assistant coach is classified as a player and will be assessed under the above Categories.
- 5.6. A player playing on an Interchange Agreement as detailed at clause 3.9 of the National Player Transfer Regulations (i.e. a permit player) will be assessed on the same basis as transferred players.

6. Additional player point allocations:

- 6.1. If a player transfers to a Community Club and will be competing against their immediate former Community Club, (except Category 2 - Development Community Players) an additional one point penalty will apply.
- 6.2. Subject to prior approval by the CCSP subcommittee, a Metropolitan League or Region Commission may apply an additional two points (instead of one point under clause 6.1) as required by the unique local conditions in order to meet an objective of this PPS Policy. This two point addition is a discretionary rule and it is the responsibility of the Metropolitan League or Region Commission to communicate to its affiliate Clubs if implemented. For the avoidance of doubt, the one point addition is not discretionary.
- 6.3. If a player transfers from a Community Club located in a Premier Competition to a Community Club in a non-premier competition an additional one point penalty will apply. This clause does not apply to Category 3 – Transferred Junior Player, or if the player is transferring from a Premier Competition, but has already met the definition of a State League Category 5 or TAC Cup Category 4 player due to playing on a permit at the higher level.

Premier Community Football Competitions include:

- Eastern Football League Division One
- Essendon District Football League Premier Division
- Northern Football League Division One
- Southern Football Netball League Division One
- Victorian Amateur Football Association Premier Division

- Western Region Football League Division One
- Ballarat Football Netball League
- Bendigo Football Netball League
- Geelong Football Netball League
- Gippsland Football League
- Goulburn Valley Football League
- Hampden Football Netball League
- Murray Football League,
- Ovens and Murray Football Netball League
- Peninsula Football Netball League
- South East Football Netball League
- AFL Yarra Valley - Division One
- Any other Competition as determined by CSSP subcommittee from time to time.

- 6.4. Where a player has registered at three (3) or more different Community Clubs in three (3) seasons, one additional point will be applied to that player's Player Points Allocation. In determining the 3 season's timeframe, clubs shall assess the current or upcoming season as the first season along with the previous two (2) seasons, as detailed in the example below.

Club A – 2017 season
 Club B – 2016 season
 Club C – 2015 season

For the avoidance of doubt, player movements under a permit arrangement e.g. to a State League, TAC Cup, NTFL club or under local interchange agreements, where their home club is classified as a Community Club, will not be penalised under this clause.

- 6.5. A Community Club may make an application for a re-assessment under clause 7.3 to its affiliate Metropolitan League or Region Commission in relation to a player's additional point allocation.

7. Deductions and Amendments to player points allocation:

- 7.1. Once a player's Player Points Allocation has been determined, a reduction of one point will apply for each 'Season of Service' to that player's Community Club (minimum 5 senior or reserves games per Season), even if not in consecutive years, until the player reaches not less than 1 point. (This is the minimum number of points a player can have). For the avoidance of doubt, if a player is eligible for underage football at his Club, they must play 5 senior games to meet the criteria for a Season of Service point reduction.
- 7.2. Where a player qualifies in more than one Category based on their playing history in the current Season or any of the previous 3 Seasons, the Category with the highest points will apply, hence the use of the flow chart in appendix 12.3. (Category 1 - Home Players are excluded).
- 7.3. Metropolitan League and Region Commission may, acting reasonably, reassess an individual player's Player Points Allocation where it is deemed inappropriate based on playing history and circumstances. Community Clubs may make an application detailing relevant evidence regarding the reassessment of a player to its relevant Metropolitan League or Region Commission. The application for reassessment may be based upon one or more of the following:
- (a) The age of the player especially if the player is looking to play at a higher level
 - (b) The injury history of the player
 - (c) The recent playing history of the player
 - (d) The living, schooling and work arrangements of the player; or
 - (e) Any other relevant consideration.
- 7.4. A Club may also make an application to receive a points reduction to a player's Player Points Allocation in relation to a player transitioning into or out of a Club aligned with a school or tertiary institution. Such application should be approved by the CCSP subcommittee.

- 7.5. Subject to the considerations which the Metropolitan League or Region Commission should take into account under clause 7.3, the determination of an application for reassessment will be at the discretion of the relevant Metropolitan League or Region Commission.
- 7.6. Should a player be recruited from a Victorian affiliate Community Club which participates in a community Competition which has not adopted the PPS Policy by 30th September (, that player will have a value of one point to a Community Club which has adopted the PPS Policy. Metropolitan Leagues and Region Commissions, at their discretion may review this one point allocation particularly where the playing history of that player includes prior participation in Competitions that have adopted this PPS Policy.

Note: Metropolitan Leagues and Region Commissions should communicate to their members which Leagues have adopted the Policy by 30th September each year.

8. Total Team Points

- 8.1. Metropolitan Leagues and Region Commissions will undertake their own process of TotalTeam Points allocations and will be responsible for determining Total Team Points for their affiliate Senior Competitions and Clubs. As stated under clause 3, the starting point is that Total Team Points will be capped at 48 points and should only vary for legitimate circumstances necessary to achieve the evenness and equalisations objectives of this PPS Policy.
- 8.2. In order to determine variances in the 48 point Total Team Points' cap, Metropolitan Leagues and Region Commissions should adopt the following guiding principles regarding the additional allocation or reduction of Total Team Points to a Community Club:
 - 8.2.1. Additional total team points may be allocated to a Community Club which is located in a region with a low population base.
 - 8.2.2. Additional total team points may be allocated if a Community Club did not qualify for finals in previous seasons or has been promoted from previous seasons.
 - 8.2.3. Reduction of total team points for multiple premierships and sustained success over previous seasons.
 - 8.2.4. Additional total team points may be allocated if a Community Club endures significant hardship, lack of success, is coming out of recess, or is a recently merged or restructured entity.
 - 8.2.5. Additional total team points may be allocated where a Community Club has no U18 or U19 or younger underage sides and is not capable of developing a junior program due to reasons outside of its control, or if a Community Club is aligned with a university and the team is based around players coming and going over a 3-4 year period.
- 8.3. Any alterations to a Community Club's Total Team Points cap under clause 8.2 or for any other reason must be prior approved by the CCSP subcommittee. For each match, a Club must ensure that the Total Team Points allocation is calculated based on the maximum number of players allowed to participate in a match for that Competition and this should be consistent for each match within a Season, within each Competition. For example if the maximum number of players on match days for the Competition is 22 players, a Club cannot submit a team list of 21 players to meet the Total Team Points cap. For the avoidance of doubt, a Club must list the maximum number of players allowed on its team sheet in calculating its Total Team Points. For exceptional circumstances (i.e. not having enough players to field a full Senior Team) the matter should be referred back to the Metropolitan League or Region Commission for review and direction.

9. Implementation

- 9.1. Metropolitan Leagues and Region Commissions should adopt this PPS Policy by no later than 30 September. Metropolitan Leagues and Region Commissions must advise in writing to the CCSP subcommittee of its intention to implement the PPS Policy prior to this date.
- 9.2. Metropolitan Leagues and Region Commissions are free to publicise Total Team Points to affiliate Clubs for the following year at their own discretion once approved by the CCSP subcommittee.

10. Enforcement

- 10.1. Given Player Points Allocations will be managed via the Footyweb System, if correct procedure is applied, with Players Points Allocation entered into the system prior to the start of the Season, it is envisaged there will be minimal issues in the management of the Player Points Allocations. Errors are less likely given that Footyweb will not permit a club to complete a Senior Team into an electronic team sheet that has a combined Total Team Points allocation of more than that Club's permitted point's cap.
- 10.2. Should any Club knowingly make a false or incorrect declaration regarding Player Points Allocations, the Club may be penalised by the Metropolitan League or Region Commission in line with the penalties set out in clause 10.3.
- 10.3. Penalties may include (without limitation):
 - (a) Club fines
 - (b) Relegation (when in a divisional competition)
 - (c) Loss of premiership points – current season and in the future
 - (d) Suspension from finals – current season and in the future
 - (e) Player / Official suspensions – for those players/ officials that knowingly provide false information to the Club;
 - (f) Any other penalty determined by the Metropolitan League or Region Commission or the CCSP subcommittee from time to time.

In applying any enforcements provisions in relation to any breach of the PPS Policy, Metropolitan Leagues and Region Commission shall take into consideration whether the breach was assessed as

- Unintentional - where a club had not been provided with accurate information
- Interpretive - where a club had applied the policy in a manner than was the policy was not intended
- Intentional - where a clear breach had occurred with little or no regard to the requirements of the policy

11. Appeal and Review

- 11.1. Where a Community Club is of the view that a player's Player Points Allocation is deemed inappropriate under this PPS Policy following a reassessment conducted under clause 7.4, any appeal against that Player Points Allocation must be heard by that Metropolitan League or Region Commission under their own appeals process.
- 11.2. Where a Club is of the view that its own Total Team Points or Total Team Cap allocation is deemed inappropriate under this PPS Policy, any appeal against that Total Team Points allocation must be heard by that Metropolitan League or Region Commission under their own appeals process.
- 11.3. An appeal against a decision to apply an enforcement provision under this PPS Policy should be made via the AFL Victoria Community Club Sustainability Manager and will be reviewed by a panel appointed by the AFL Victoria.
- 11.4. The CCSP subcommittee will review the PPS Policy throughout each Season and amendments and variations may be made by the CCSP subcommittee from time to time.
