

AFL VICTORIA CODES OF CONDUCT

(AFL Victoria Regulation 5.1.4 (a))

AFL Victoria (AFLV) is justifiably proud of the long history that Australian Football has played within this State since the mid-nineteenth century. The past 150 years have witnessed significant achievements and created lifelong memories for hundreds of thousands of people. To ensure that Australian Football plays a significant part of our future for the next 150 years we need to be smarter about the way we preserve the traditions and values of our game.

One of the critical components of our game is the passion that people show for the team & club that they support. Whilst this passion is usually harnessed and used to support our game, it sometimes can boil over to create negative situations. We must all work together in the attempt to eliminate this negative passion.

Codes of Conduct are an integral component of sporting activities and the following codes compliment the good work of many football bodies over several years and the Australian Sports Commission requirement.

All Members of AFLV shall adopt Member specific codes and AFLV encourages Members to be vigilant in enforcing such codes whether via support for those who constantly abide by the codes and / or harsh penalties for those who fail to act in accordance with the codes.
