

Community Club Sustainability - Player Payment Rule

AFL Central Victoria

November 2024

1. Objectives

In order to maintain, support and grow Australian football at the community football level it is important that teams fielded by community Clubs are as strong and well matched as possible.

The support for community football competitions and participating Clubs and the opportunity for players to develop and display their skills depends upon those competitions being conducted between evenly matched and financially viable Clubs.

It is also important that stronger Clubs do not obtain an unfair proportion of the best Players at the expense of the weaker Clubs, and that there is sufficient stability in the membership of Club teams to enable team spirit and public support to be maintained.

The pursuit of these objective assists in attracting and maintaining the interest of players, supporters, officeholders, sponsors and volunteers, all of whom are essential for community football competitions and Clubs.

To assist in achieving these objectives, AFL Central Victoria has adopted this Player Payment Rule. This Player Payment Rule will operate in conjunction with the AFL Victoria Player Points System Policy, which is directed to similar objectives.
