Player Points System – What a club needs to do...

Allocate a point category for all players expected to play in the clubs Senior team.

Once a player is assessed by a club, they will only need to be amended if they are multi point players (more than 1 Point) and their point value reduces when player achieves a Season of Service deduction.

Season of Service applies where a Senior player plays a minimum of 5 senior and/or Reserves games in a season.

If a player is still eligible for an underage competition, a season of Service deduction only applies where a player plays a minimum of 5 Senior (not Reserves) games.

Any new player that transfers to a club and is expected to play in the clubs Senior team needs to be assessed based on their playing history and achievement (as detailed in Play HQ).

Each week, the senior team is selected using the Play HQ will ensure the selected team and player points allocations does not exceed the Total Team points allowed.

Points Reassessment application

Player Reassessment - [Application form](#) (7.3 of PPS Policy)

- The age of the player, especially if the player is looking to play at a higher level.
- The injury history of the player
- The recent playing history of the player
- The living, schooling and work arrangements of the player; or
- Any other relevant consideration.

Meeting one of the above criteria may not, on its own, provide for a reduction in a player's point allocation with the application to substantiate that the point allocation is inappropriate based on the Players playing history and achievements

- Club which is located in a region with a low population base.
- Club did not qualify for finals in previous seasons or has been promoted from previous seasons.

- Club has no U18, U19 or younger underage sides and is not capable of developing a junior program
- Club is aligned with a university and the team is based around players coming and going over a 3-4 year period.

Note : Reduction of total team points may be applied by Metro League / Region when a club has achieved multiple premierships and/or sustained success over previous seasons.
